

# Kelly Llorenna, Tell It To My Heart

Is this really love or just a game?

I feel the night explode,  
When we're together.  
Emotion overload,  
In the heat of pleasure.  
Take me in yours,  
Into your arms,  
Never let me go.  
Tonight I really need to know.

Tell it to my heart,

Oh, Oh, Oh, Oh

Tell it to my heart,  
Tell me I'm the only one,  
Is this really love or just a game?  
Tell it to my heart,  
I can feel my body rock,  
Everytime you call my name.

Tell it to my heart,  
Tell me I'm the only one,  
Is this really love or just a game?  
Tell it to my heart,  
I can feel my body rock,  
Everytime you call my name.

Tell it to my heart,

Oh, Oh, Oh, Oh

The passions so complete,  
Its never ending.  
As long as I receive,  
The message your sending.  
Body to body,  
Soul to soul.  
Always feel your near,  
So say the words I long to hear.

Tell it to my heart,  
Tell me I'm the only one,  
Is this really love or just a game?  
Tell it to my heart,  
I can feel my body rock,  
Everytime you call my name.

Tell it to my heart,  
Tell me I'm the only one,  
Is this really love or just a game?  
Tell it to my heart,  
I can feel my body rock,  
Everytime you call my name.

Tell it to my heart.

Love,  
Love on the run breaking us down,  
Though we keep holding on,  
Don't want to lose,  
No,  
I can't let you go.

Tell it to my heart,  
Tell me im the only one,  
Is this really love or just a game?  
Tell it to my heart,  
I can feel my body rock,  
Everytime you call my name.

Tell it to my heart,  
Tell me im the only one,  
Is this really love or just a game?  
Tell it to my heart,  
I can feel my body rock,  
Everytime you call my name.

Tell it to my heart.

Tell it to my heart, heart, heart, heart.

Tell it to my heart.

Oh, Oh, Oh, Oh
