

# Kelly Osbourne, Edge Of Your Atmosphere

let's get to the point everything you have you dont want  
and all you seem to do is want for more  
you never hear a word i say  
im wondering what moti-vates  
your self-ish intu-ishment to get your way

pre chorus:  
all the games you play  
makes everybody run away  
im sitting here just waiting for you to come around

Chorus:  
so why you always think that im so retarded  
standing on the edge of your atmosphere  
you have everything that you ever wanted  
but your lifes not full and your miserable

where do we go from here  
its getting really hard  
to classify your Untolerable behavior  
or is it me  
my chance to break the ice  
a chance bepins on the roll of the dice  
can you help me under stand what is it you fear

pre chorus:  
please tell my why  
all the games you play  
makes everybody run away  
im sitting here just waiting for you to come around

Chorus:  
so why you always think that im so retarded  
standing on the edge of your atmosphere  
you have everything that you ever wanted  
but your lifes not full and your miserable  
look at all the things you've said and done  
i cant feel sorry for you anymore  
its only fare to say that your presents i holed dear  
so im sorry im still here

Bride:  
all and night  
only few is right  
it doesnt matter who is wrong or right

Chorus:  
so why you always think that im so retarded  
standing on the edge of your atmosphere  
you have everything that you ever wanted  
but your lifes not full and your miserable  
look at all the things you've said and done  
i cant feel sorry for you anymore  
its only fare to say that your presents i holed dear  
so im sorry im still here

so why you always think that im so retarded  
standing on the edge of your atmosphere  
you have everything that you ever wanted  
but your lifes not full and your miserable  
look at all the things you've said and done  
i cant feel sorry for you anymore  
its only fare to say that your presents i holed dear  
so im sorry im still here
