

# Kelly Osbourne, Suburbia

How can anybody ever change  
When the whole world wants you to stay the same  
I guess you just take the blame  
Of being someone who had to find her own way

In your dreams you're fabulous  
But in your life ridiculous  
See Alice had to go to Wonderland  
To sip upon the tea that left her in a trance yeah

[chorus]  
In Suburbia It always stays the same  
How can anybody ever change  
Uh oh uh oh uh  
In Suburbia People never change  
When the world wants you to stay the same  
Uh oh uh oh uh

Life for you is just a great big game  
You have no control and all you feel is shame  
Don't try to numb the pain  
Tomorrow comes and you will be ok

In your dreams you're fabulous  
But in your life ridiculous  
See Alice had to go to Wonderland  
To sip upon the tea that left her in a trance yeah

[chorus 2x]

Uh oh uh oh uh In a trance yeah  
Uh oh uh oh uh In a trance yeah  
Uh oh uh oh uh

In Suburbia It always stays the same  
In Suburbia People never change

[chorus]

Uh oh uh oh uh In a trance yeah  
Uh oh uh oh uh In a trance yeah  
Uh oh uh oh uh Uh oh uh oh uh  
In a trance yeah Uh oh uh oh uh  
In a trance yeah Uh oh uh oh uh
