

Kelly Price, Heartbreak Hotel

This is the heart break hotel
This is the heart break hotel
This is the heart break hotel
This is the heart break hotel

This is the heart break hotel
This is the heart break hotel
This is the heart break hotel
This is the heart break hotel

You said you'd be here by nine
Instead you took your time
You didn't think to call me, boy
Here I sit trying not to cry
Asking myself why
You do this to me, mm oh baby

Since you're not around
For me to tell ya baby, face to face
I'm writing you this letter
And this is what I have to say

[1] - All I really wanted was some of your time
Instead you told me lies
When someone else was on your mind
What you do to me
Look what you did to me

I thought that you were someone
Who would do me right
Until you played with my emotions
And you made me cry
What you do to me
Can't take what you did to me

Now I see that you've been doin' wrong
Played me all along
And made a fool of me, baby
You got it all wrong
To think that I wouldn't find out
That you were cheating on me, baby
How could you do it to me

Since you're not around
For me to tell ya baby, face to face
I'm writing you this letter
And this is what I have to say

[Repeat 1]

Heartbreak hotel
This is the heart break hotel
This is the heart break hotel
This is the heart break hotel
This is the heart break hotel

[Repeat 1 with ad lib until fade]
