

Kelly Price, I Don't Know About Tomorrow

Why don't we just do this?
Play that song that ma used to like
To hear me sing in church all the time
That's the one
[laughs]

I don't know
About tomorrow
I just live from day to day
And I don't borrow from its sunshine
For its skies may turn to gray
And I don't worry about my future
For I know what Jesus said
And today He walks beside me
For He knows what lies ahead
Many things about tomorrow
I don't seem to under-understand
But I, I know, I know, I know who holds tomorrow
And I know who holds, who holds my hand
Oh yeah, yeah, yes, hey, yes
Who holds my hand
