

Kelly Rowland, Dumb (ft. Trevor Jackson)

Boy is it cost money
I make them go crazy
Boy is it cost money
I make them go crazy
Boy is it cost money
Money money money money
Money money money money
Money money money money

He gotta have it like I have it
He be like a savage
Some like a Trojan
I do that like a magic
And if he really want some
I make him treat it like a classic
I can test what I'mma grab it
I make him go dumb dumb dumb dumb
Dumb dumb dumb dumb

Sick with it
Quick with it, with me
Come on come on million
Yeah I do it till it's done
And if he really want some
I make him treat it like a classic
Man I swear that boy is at it
I make him go dumb dumb dumb dumb
Dumb dumb dumb dumb

Boy is it cost money
I make them go crazy
Boy is it cost money
I make them go crazy
Boy is it cost money
Money money money money
Money money money money
Money money money money

I'm so on with it
Done with it
Grown with it
Baby, sing with me
("Uuu, baby!")
And if I'm really feeling you
I'mma really really baby
I'mma be like oh
I can give it
Stop it
All this booty
That you wanted
Watch you looking
Like you wanna try it
All this booty that you got going on
And if he really want some
I make him treat it like a classic
Make him wanna go to Nascar
I make him go dumb dumb dumb dumb
Dumb dumb dumb
Make him go dumb dumb dumb dumb
Dumb dumb dumb
Make him go dumb dumb dumb dumb
Dumb dumb dumb

I rode that thing like a solider

I rode it like a soldier
I rode it and I took it like a soldier
I rode that thing like a soldier
I rode it like a soldier
I rode it and I took it like a soldier
I bounced it, I bounced it, I bounced it , I bounced it
Go get some, Go get some , Go get some , Go get some

("I don't know how to do it!")

Dumb dumb dumb dumb
Dumb dumb dumb dumb

Boy is it cost money
I make them go crazy
Boy is it cost money
I make them go crazy
Boy is it cost money
Money money money money
Money money money money
Money money money money
