

# Kelly Rowland, Interlude

I never thought that we would break up for the better  
Should've never made the promises to each other  
So many things I should've said that you didn't know  
Coming in from the past with a heavy load

But I knew that you were a good man  
Gave me love, you were faithful it showed on my hand  
I know the questions in your mind you don't understand  
But the words of this song are gonna answer them
