

# Kelly Rowland, Simply Deep

[Verse 1]

Is anybody home in there?  
I unexpectedly dropped by your heart  
I simply wanted you to hear  
The cry of my love's never ending start  
Impossible escaping you  
And circumstances never stand a chance  
So intrigued by the things you do

[Chorus]

Through my eyes I envisioned you  
Your love protects my every move  
My life sways to your heartbeat  
My everlasting love is simply deep

[Verse 2]

Each second spent is timeless  
When I'm with you, time seems to take a rest  
No routines ever lay with us  
'Cause everything is new when you're in love  
So delighted that you feel the same  
You say with me you're never liable to pain  
Never love another again

[Chorus]

As I lay here in the midst of ongoing creation  
Me, as a whole, can only think of you  
And you breathe the air that surrounds every move I run  
And I never sleep without endless dreams  
Of love so simply deep  
Between you and me!

[Repeat chorus 3X]
