

# Kelly Rowland, Work

This aint gon' be easy  
Uh!  
You got it  
You got it  
Put it in

Tables turnin' to a situation  
Now you standin' in my face like you've been patiently waitin'  
I'm rollin over words forget the conversation  
Thinkin' maybe we can make a combination

Wanna see me lose my breath and wanna hear me moan  
BETTER BE READY, WILLING, ABLE when we get alone  
You was talkin' confident upon the telephone  
So you gotta put it in when we get it on

No turning back from this party put you through enough to complain  
Aint no comin down from this side my love don't go nowhere 'LESS I SAY  
Look at what you got yourself into  
Best take advantage be all that you can be  
Best take advantage see all that you can see  
Cause this could be your last opportunity WITH ME (PUT IT IN)

Check it baby, get it baby, check it baby get it  
Do it baby d-do it, d-do it baby get it (put it in)  
Check it baby, get it baby, check it baby get it (work)  
Do it baby d-do it, d-do it baby get it (GO HARD)  
Check it baby, get it baby, check it baby get it  
Do it baby d-do it, d-do it baby get it  
Don't come around if you gone let me down  
You gotta get it all the way in  
I wanna see you work

You lookin like you're lookin for an explanation  
Use the curves in my body for your motivation  
Skip the petty games no need for complication  
Use those things for sure I'll reach my destination

Better leave a good impression before you hit the door  
Cause you don't want me talkin bout ya busniess on the low  
You show it off I had to fit you in my schedule  
So you better put it on when its time to go

No turning back from this party put you through enough to complain

Aint no comin down from this side my love don't nowhere 'LESS I SAY  
Look at what you got yourself into  
Best take advantage be all that you can be  
Best take advantage see all that you can see  
cause this could be your last opportunity to WITH ME (PUT IT IN)

Check it baby, get it baby, check it baby get it  
Do it baby d-do it, d-do it do it (put it in)

I aint acceptin no exuses baby  
To brag about it would be useless baby

You better blow me away  
Make a girl wanna stay  
At your spot goin all around  
It's your chance to prove  
Don't forget your move  
There's nothing to lose  
BUT ME (PUT IT IN)
