Kelly Rowland, Work It (Put It In)

This aint gon' be easy
Uh!
You got it
You got it
Put it in

Tables turnin' to a situation
Now you standin' in my face and you've been patiently waitin
Fumbling over words forget the conversation
Thinkin' maybe we can make a combination

Wanna see me lose my breath and wanna hear me moan
Better be ready, will-n-able when we get alone
Cuz You was talkin' confident upon the telephone
So you gotta put it in when we get it on

No turning back from this party put you through enough to come play(hey)
Aint no comin down from this high my love don't go nowhere less i say
Look at what you got yourself into
Best take advantage be all that you can be
Best take advantage see all that you can see
Coz this could be your last opportunity to move me

(Put It In) Check it baby, get it baby, check it baby get it(work)
Do it baby d-do it, d-do it baby get it (put it in)
Check it baby, get it baby, check it baby get it (work)
Do it baby d-do it, d-do it baby get it (go hard)
Check it baby, get it baby, check it baby get it
Do it baby d-do it, d-do it baby get it
Don't come around if you gone let me down
You gotta get it all the way in
I wanna see you work

Now Your lookin like you're lookin for an explaination
Use the curves in my body for your motivation
Skip the petty games no need for complication
Use those things for sure I'll reach my destination

You Better leave a good impression fo' you hit the door
Coz you don't want me talkin bout ya business on the low
If You show it off I have to fit you in my schedule
So you better put it on me when its time to go

No turning back from this party put you through enough to come play (hey)

Aint no comin down from this high my love don't go nowhere less i say
Look at what you got yourself into
Best take advantage be all that you can be
Best take advantage see all that you can see
Coz this could be your last opportunity to move me

Make a girl wanna stay
At your spot for another round
It's your chance to prove
