

# Kelly Willis, Don't Know Why

History runs pretty deep with you and me  
There were times we thought it ended  
Times we fought out in the street

Baby we have knocked each other upside down  
Yeah the winds of change are blowing wide  
Rumors got around

We rise and we fall  
We get back up and try our love  
And I can't explain  
What it is I feel  
But I know it's real  
I keep holding on to you  
I don't know  
Why I gotta have you but I do

I don't know  
Why I gotta have you but I do

Don't know why  
but it happens every day  
Some folks call it leaving  
some folks call it running away  
Here I am  
and I'll say these words out loud  
I always hope I'll find a way  
One step from the crowd
