

Kelly Willis, Get Real

Get real this ain't the way we used to feel
What we once earned we have to steal conceal it ain't real
Come on we've been defending for so long
I don't know who we're trying to con it's gone so come on

Enough we're just pretending that it's love
It's a shame I don't know who to blame but I know enough
Get real it's time we both put down our shields
You see we both lost in this deal oh get real
[guitar]
Enough we're just pretending...
Baby we both lost in this deal oh get real
