

# Kelly Willis, Wrapped

I didn't have to turn my head whenever you walked in  
The only one to let these chills roll down my skin  
My heart beats faster I hear your name  
I feel my confidence slipping away

Thought I was doing fine bout to get you off my mind  
I see you face and then I'm wrapped around your pretty little finger again

It feels like ages since you lay down in my arms  
I see no good reason still I'm tangled in your charms  
My God you're smiling you catch my eyes  
My heart is pounding deep inside

Thought I was doing fine....

[ guitar ]

Ain't gonna let no man go down without a fight  
My stalls and walls look better in the bright daylight  
My heart beats faster I call your name  
I feel my confidence slipping away

Thought I was doing fine....
