

Kelvin Jones, Call You Home

You got those eyes staring into my soul
You get that smile when I'm giving you my all
You're the brighter side of things
You're the lighter side of life
And all the joy that you bring
Is why I need you in my life

Can I call you home
You'll be mine and I'll be yours
I just wanna let you know
In my mind I call you home

The only thing I ever knew is that I never know
I've had my time in the sun and now I gotta go
You're the brighter side of things
You're the lighter side of life
And all the joy that you bring
Is why I need you in my life

Can I call you home
You'll be mine and I'll be yours
I just wanna let you know
In my mind I call you home

In my mind... /4x

Can I call you home
You'll be mine and I'll be yours
I just wanna let you know
In my mind I call you home

Can I call you home
You'll be mine and I'll be yours
I just wanna let you know
In my mind I call you home /5x
