

Kem, Fascination

It was fascination, I know
And it might have ended at the start
A passing glance, a brief romance
And I might have gone on my way empty-hearted, empty-hearted

It was fascination, I know
Seeing you under the moonlight above, baby
And I touched your hand and I kissed you
and fascination turned to love

My fascination turned to love, oh baby, yeahh
My fascination, girl, ohh, turned to love

Fascination, I know
That it might have ended at the start
A passing glance, a brief romance
And I might have gone on my way empty-hearted

Fascination, oh and I know, I know babe
Seeing you under, under the moonlight, moonlight above
Baby I, I touched your hand
And I kissed you baby
Oh girl

And my, my fascination, my fascination
Turned to love
Fascination oh, my, my, my fascination girl
Turned to love
My fascination turned to love
Fascination
