

Kem, I Can't Stop Loving You

(Verse 1:)

I think about the day I met the perfect stranger, I think about us.
And I think about the day i got wrapped around your fingers, I think about us.
The sun was shinning on you
The lord was smiling on me
And love was calling us I had my mind made up.

(Chorus:)

And I can't stop loving you
I can't help myself
And I can't get over you
No matter what I tell myself baby.

(Verse 2:)

Never thought I'd ever love any one else in my weakness, I think about us.
And I think about the day you left without speaking, I think about us.
I think about the love we had for our children, I think about us.
I think about the way we laughed without a reason, I think about us girl.
There will be no more lies
Somebody tell me why I feel like I'm dying.
Lord what's come over me
Ohh baby can't you see

(Chorus:)

That I can't stop loving you
I can't help myself
And I can't get over you
No matter what I tell myself baby
Yea Yea
I can't stop loving you (stop loving you girl)
No matter how hard I try
And I can't get over you baby
And I don't know why

I think about us
(repeat 4x till fade out)
