

# Kem, Without You

Where would I be without you  
Where would I go to let it all out  
Where would I be  
Without you

Where did the song of love go  
Where did you find someone new  
What do I do  
Without you  
Without you  
Baby

Where would I be without you  
Where would I go to let it all out  
If I'm gonna be without you  
Better go now  
Without you, yeah  
Without you
