

# Kemopetrol, Child Is My Name

Immortal angels  
Dressed up as junkies

I'm going out tonight  
And It's gonna be alright

It's gonna happen  
It's gonna happen, right

It's gonna happen  
It's gonna happen

Chorus:  
I take the blame  
and child is my name

And I believe your words  
whatever you might say

This is my hand  
Shaking and raised

Reaching out for something more  
than mere play

Immortal junkies  
dressed up as angels

I'm meeting you tonight  
And it's gonna be alright

It's gonna happen  
It's gonna happen, right

It's gonna happen  
It's gonna happen
