

# Ken Hensley, Blood On The Highway

So you wanna be a big time rock star  
Without my help you know you won't get too far  
Just give me everything you might get something  
But be prepared to walk away with nothing

Are you waiting if you wanna join me  
Bring me a life and don't dissapoint me  
I know you want it so don't keep me waiting  
Rock n roll only want your soul

You can get there but I wont say how  
You'll never make it on your own anyhow  
I think you told your friend that I should tell you now

Theres blood on the highway  
So many lives between the lines  
Theres blood on the highway  
And a lot of it is mine

Don't look for reasons and don't ask me questions  
I have the plan I don't need suggestions  
I've been doing this for a real long time  
Jimmy and Janice were both friends of mine

Think your ready for the grand adventure  
You see theres nothing out there to prevent you  
Im here to tell you that it won't last long  
I'll still be here after you're long gone

I know the secret of your wildest dreams  
I got the key to your limousine  
Just give me everything and leave it all to me

Theres blood on the highway  
So many lives between the lines  
Theres blood on the highway  
And a lot of it is mine
