

# Kendall Payne, Child Of God

With every breath with every thought  
From what is seen to the deepest part  
I offer all that Ive come to be  
To know your love fathering me  
With every breath with every thought  
From what is seen to the deepest part  
I offer all that Ive come to be  
To know your love fathering me  
Father youre all I need  
My souls sufficiency  
My strength when I am weak  
The love that carries me  
Your arms enfold me 'til I am only  
A child of God  
With every step on the is journeys walk  
And wisdoms songs that the soul has sought  
I give myself unreservedly  
To know your love fathering me  
Father youre all I need  
My souls sufficiency  
My strength when I am weak  
The love that carries me  
Father youre all I need  
My souls sufficiency  
My strength when I am weak  
The love that carries me  
Your arms enfold me 'til I am only  
A child of God  
Your arms enfold me 'til I am only  
A child of God  
Your arms enfold me 'til I am only  
A child of God
