

Kenny Chesney, Back Where I Come From (Live)

THANK YA"LL VERY MUCH! OK DALLAS I WANNA PLAY YA"LL
A SONG NOW THAT UH I GOTTA SAY ITS ONE OF MY
FAVORITE SONGS I"VE EVER RECORDED FOR A LOT OF
REASONS IT PAINTS THE PERFECT PICTURE OF WHAT IT
WAS LIKE GROWING UP IN THE COUNTRY IN EAST
TENNESSEE IT WAS NO DIFFERENT FROM ME ITS CALLED
BACK WHERE I COME FROM I HOPE YA"LL ENJOY THIS!

in the town where i was raised
the clock ticks and the cattle graze
and time passed with amazing grace
back where i come from
you could lie on a river bank
paint your name on a water tank
miss count all the beers you drank
back where i come from
back where i come from
where i'll be when its said and done
im proud as any one
thats where i come from
we learned in a sunday school
who made the sunshine through
i know who made the moon shine too
back where i come from
blue eyes on a saturday night
tan legs in the broad day light
tv's they were black and white
back where i come from
back where i come from
where i'll be when its said and done
im proud as anyone
thats where i come from
some say its a backwards place
narrow minds on the narrow ways
but i make it a point to say
thats where i come from
thats where i come from
where i'll be when its said and done
im proud as anyone
thats where i come from
thats where i come from
im an old tennessean
im proud as anyone
thats where i come from
back where i come from
back where i come from
back where i come from
WE SURE DO LOVE YA"LL THANK YOU! OH YA!
