

Kenny Chesney, I'm Alive

(Chesney)

So damn easy to say that lifes so hard
Everybodys got their share of battle scars
As for me, Id like to thank my lucky stars that Im alive and well
Itd be easy to add up all the pain
And all the dreams you sat and watched go up in flames
Dwell on the wreckage as it smolders in the rain
But not me, Im alive

And today you know thats good enough for me
Breathing in and outs a blessing cant you see
Todays the first day of the rest of my life and Im alive
And well, Im alive and well

(Dave Matthews)

The stars are dancing on the water here tonight
Its good for the soul when theres not a soul in sight
This boat has caught its wind and brought me back to life
Now Im alive and well

And today you know thats good enough for me
Breathing in and outs a blessing cant you see
Todays the first day of the rest of my life and Im alive
And well, Im alive and well
