## Kenny Chesney, Me And You

Ordinary, no Really don't think so Not a love this true Common destiny We were meant to be Me and you

Like a perfect scene From a movie screen We're a dream come true Suited perfectly For eternity Me and you

Everyday, I need you even more And the nighttime too There's no way I could ever let you go Even if I wanted to

Everyday I live Try my best to give All I have to you Thank the stars above That we share this love Me and you

Everyday, I need you even more And the nighttime too There's no way I could ever let you go Even if I wanted to

Ordinary, no
Really don't think so
Just a precious few
Ever make it last
Get as lucky as
Me and you
Me and you
