

Kenny Chesney, Never Wanted Nothing More

Couldn't wait to turn 16 and drive all the boy's around
Foot on the gas and hands on the wheel was all I could think about
A little rust in the bed of that truck and a four speed on the floor
Five-hundred dollars it was mine, all mine and I never wanted nothin' more

I took Katie down by the river with a six dollar bottle of wine
Just a fool tryin' to play it cool hopin' she'd let me cross the line
I was praying that she couldn't tell I hadn't been that far before
The first time's a one time feelin and I never wanted nothin' more,
No I never wanted nothin' more..

(Chorus)

Well I'm what I am and I'm what I'm not
I'm sure happy with what I've got
I live to love and laugh a lot
And thats all I need

My buddies all tried to change my mind
But I told them that I'd thought it through
Katie laughed and my mama cried when they heard me say "I do"
A little ring is a little thing, but its all I could afford
Now she's mine, all mine till the day I die, and I never wanted nothin' more

(Chorus)

One Sunday I listened to the preacher and I knew he was preaching to me
I couldn't help it I walked up front and I got down on my knees
Right then and there, I swear I changed when I found the Lord
Glory Hallelujah, good God almighty I never wanted nothin' more

(Chorus)

Never wanted nothin' more...
And I never wanted nothin' more
