

Kenny Price, My Goal For Today

I'm gonna smile at everyone I meet today
I'm gonna walk my streets so happy they won't believe
I'm gonna dance at the slidest sound of music I hear play
It might sound crazy but that's my goal for today
I'm gonna thank someone for the sun that shines so bright
I'm gonna thank someone for the someone he gave me to hold tonight
I'm gonna dance at the slidest sound of music I hear play
It might sound crazy but that's my goal for today

I'm gonna thank someone...
