

Kenny Price, Que Pasa

Que pasa que pasa what's happening to your casa
Tell little Pepino to go outside and play
And let's go loco on my acapulco senorita Juanita I need you right now

The first time I saw you dancing at the cantina
On top of the table to the guitar man
You drove the men crazy skaing your lamamba shake it
[trumpet]
Que pasa que pasa...

I got a tin can I make me a shaker I got a burrito I'm gonna bake 'er
I got a Juanita and I know how to make her shake it
[percussion]
Que pasa que pasa...
[trumpet]
Que pasa que pasa...
