

# Kenny Price, Woman (Sensuous Woman)

Woman ooh sensuous woman you control the world I'm livin' in  
Woman ooh sensuous woman release my body and let me live again

Step by step you taught me easy loving night by night you caught me in your web  
My self control was overruled by passion I couldn't see the heartache just ahead  
Woman ooh sensuous woman...

Someone's true at home I should be with her and she don't know I crave your exstasy  
But many hearts will break if I don't conquer this lustful spell you've cast all over me  
Woman ooh sensuous woman...  
Release my body and let me live again
