Kenny Rogers, I Can't Unlove You

Postcards and letters Pictures made to last forever To Be boxed up and tossed away Nick-Nacs, Souverners In an afternoon Their out of here They dissapear without a trace What they mean to me can never be replaced I cant unthink about you I cant unfeel your touch I cant unhear all the words Unsay all the things that used to mean so much I wish i could unremember everything My hearts been through Im finding out its impossible to do Oh, its no use I cant unlove you In this dance of old songs Like time they go on and on I guess i could learn to do the same I could wake up without you These two arms not around you Tell myself its meant to be this way No matter how i try Some things i cant change. I wish i could unremember Everything my hearts been through Im finding out its impossible to do Its no use I cant unlove you
