

# Kenny Rogers, Love Will Turn You Around

You can run, you can hide, never let it inside  
keep livin your life in the dark  
Sooner or later, that gentle persuader  
is gonna catch up with your heart

Make you a dreamer, believer, believin in love

Right when a man's, doin all that he planned  
and he thinks he's got just what he needs  
Life will deliver, a shot that will shiver him  
drivin him down to his knees

Make him start giving, living, livin again

Well it's your mind, that tricks you in believin everytime  
Love will turn you around, turn you around  
Well it's your heart, that talks you into stayin where you are  
Love will turn you around, turn you around

Out of the blue, she reaches for you,  
and you tell her you don't have the time  
So you move away fast, but you know it won't last  
cause you can't get her off of your mind

Thoughts are burnin, turnin, they're turnin around

How do you know, when to stay or to go  
and how do you know when it's real  
You don't need a sign, to make up your mind  
you got your heart at the wheel

You wanna start sharin, carin, carin again

Well it's your mind, that tricks you in believin everytime  
Love will turn you around, turn you around  
Well it's your heart, that talks you into stayin where you are  
Love will turn you around, turn you around

Love will turn you around, turn you around  
Love will turn you around, turn you around  
Turn you around
