

# Kenny Wayne Shepherd, Alive

Tears to a smile its a brand new day  
Roads take a turn I think I found my way  
Words dont always say what they mean,  
Whisper a prayer, what will it bring?  
What will it bring now?

CHORUS: And I feel, feel so alive  
When Im with you, everythings fine  
Yeah I feel, feel so alive

I want to fly but I aint got wings  
I want to sing the song you sing  
Cause when Im with you well I feel

CHORUS: Yeah I feel, feel so alive  
When Im with you, everythings fine  
And I feel, feel so alive

(SOLO)

CHORUS: And I feel, feel so alive  
When Im with you, everythings fine  
Yeah I feel, feel so alive
