Kenny Wayne Shepherd Band, I Found Love

I found love when i found you
When I look in your eyes, I know it's true
My life was lonly, broken and blue
Then I found love, when I found you

Once in a lifetime, that's how it feels
Somethings so good(so damn good)
How can it be real
girl, when you touch me
You touch me through and through
I know i found love, when i found you

Girl, you've got all of me
And I want you to know
There's nothing in this crazy ol' world
Could make me wanna let you go

'Cause I found love when I found you
Every time I look into your eyes, I know
It's true
Girl, when you touch me
You touch me through and through
I know I found love, when I found you
