

# Kenny Wayne Shepherd, Everybody Gets The Blues

It don't matter if you're rich  
It don't make no difference if you're poor  
Simple things in life can make you mad to the core  
It doesn't matter if you're young  
Don't make no difference if you're old  
You got to stand a little rain  
Before you reach your pot of gold  
Everybody gets the blues  
Everybody got to cry  
Take the good with the bad  
Take the lows with the highs  
Well you work and you worry  
Spend your life paying dues  
Everybody has a hard time sometime  
Everybody gets the blues  
Ain't no different for a woman

Than it is for a man  
Everybody goes dancing  
Everybody pays the band  
Everybody got to take  
Everybody got to give  
Everybody got to live  
Don't matter if you're fat  
Don't matter if you're thin  
Everybody got to lose  
Everybody got to win  
Don't matter if you're black  
Don't matter if you're white  
You know you got to get it wrong  
To have a chance to make it right
