

# Keren Ann, Spanish Songbird

Home is like a river of goodbye  
Without a summer lullaby since you are gone  
No one rings the bell from what I&#039;ve heard  
I&#039;m all alone just like a bird without a song

Life is an endless parade, it&#039;s no sweet lemonade  
Only an empty bottle left in the shade, oh boy

What have I done to make you go ?  
Where is the sun ? Where is the snow when you are away ?  
Roses seem to fade upon my side  
Since you have left, there is no night, there is no day

Life is an endless parade, it&#039;s no sweet lemonade  
Only an empty bottle left in the shade, oh boy

Life is an endless parade, it&#039;s no sweet lemonade  
Only an empty bottle left here under the shade.
