

Keri Hilson, Get It Girl

Get it girl
If you hear me give a reply
If you doing it big
And you stay fly

Go on if you make your ends
And you love to spend
Go on if you wanna
Keep up with the latest trend

One hand in the air if you runnin' it
Other hand on your hip
If you don't take no shh...
Ooh, if you got no man, one friend
And a couple kids
Ooh, 'cause I wrote this song
For the chicks and it goes like this...

Now won'tcha, won'tcha
Get it girl!
Won'tcha, won'tcha
Get it girl!
Now won'tcha, won'tcha
Get it girl!
Won'tcha, won'tcha
Get it girl!

I'ma, I'ma Get-it girl

If you call outta her name
