

# keshi, GET IT

Big ice, feelin' so fine  
Shit is on me and we spendin' all night, come and  
Get it, get it, get it, get it  
Get it, get it, get it  
Got my bag right, on my own time  
Now these bitches tongue tied  
Tryna get on this side, better come and  
Get it, get it, get it, get it  
Get it, get it, get it, get it

Paranoid, white noise, think they up to some  
Come and take more when they give you none  
See me doin' good, why you reachin'?  
'Cause I got everything I ever needed  
Got my money (Check), lady (Check)  
Rollie (Check), mary (Check)  
From the southside with my dawgies on deck  
And we can't sit still less a chain on the neck, huh  
Give me everything, trade you anything you want  
All this cash on me, doesn't matter what it cost  
Give me everything, trade you anything you want  
All this cash on me, all-all this cash on me

Big ice, feelin' so fine  
Shit is on me and we spendin' all night, come and  
Get it, get it, get it, get it  
Get it, get it, get it  
Got my bag right, on my own time  
Now these bitches tongue tied  
Tryna get on this side, better come and  
Get it, get it, get it, get it  
Get it, get it, get it, get it

Ooh  
You don't even know which one you are  
Do you?  
Havin trouble tellin' them apart
