

# Kevin Ayers, Eleanor's Cake (Which Ate Her)

My oh my oh my  
Do you really have to cry?  
Crying like a summer rain  
Lady let me ease your pain.  
Why oh why oh why  
Don't you spread your wings and fly?  
Flying like an autumn wind  
Lady did you lose a friend?

Don't be sad and down  
Take another look around  
Maybe what you've lost you've found.

Don't be sad and down  
Take another look around  
Maybe what you've lost you've found
