Kevin Ayers, Guru Banana

Whos the one with the grin on his face Says he's gonna save the human race He laughs a lot as he climbs to fame Whats his name

Guru Banana

That's me and I'll show you the light I've got the answers and they're all right I'm divine and you can be the same Whats my name

Guru Banana Guru Banana Guru Banana Oh you rude banana What's my name Guru banana

Now gather round and hear my song If you think your life is going wrong Come to me and I'll take the blame Just call my name

Guru Banana Grab your partners swing around Dance along to my different sound You think it's new but it's just the same Now sock it to me once again Guru Banana. Guru Banana Take us to nirvana You know you can you're our man Whose the one with the grin on his face Says he's gonna save the human race You're gonna take us to nirvana We hope you can You're our man Guru Banana, Guru Banana Take us to nirvana You know you can Grab your partners swing them round Dance along to my different sound Im a Guru Guru Banana
