

Kevin Blechdom, Lazy

You don't look at me in the same way
Is there something you're meaning to say?
Speak now or forever hold your peace
Baby, please

Don't be lazy with my love
Unless you don't need it anymore
'Cause if you're lazy with my love
I'm gonna be walking out that door

That's no way to act after all that I've done
You are just a lazy son of a gun
You gotta show me you want me to stay
Baby, please

Don't be lazy with my love
Unless you don't need it anymore
'Cause if you're lazy with my love
I'm gonna be walking out that door

Too lazy to love me
Too lazy to hate me
Too lazy to show me that you care
Too lazy to wonder if I'm going under
Baby, please

Don't be lazy with my love
Unless you don't need it anymore
'Cause if you're lazy with my love
I'm gonna be walking out that door

Too lazy to thank me
Too lazy to spank me
Too lazy to act like you're a man
Too lazy to suck me
Too lazy to [...] me
Baby, please
Baby, please
Baby, please...
