

Kevin Devine, Letting A Good One Go

I think I thought so much about losing you
That I never really had you
You spend so much time
You spend so much time
When you think you've got all the time in the world
And I turned you into
A conversation piece
And the things you take for granted
Turn out to be the things that you need
I'm timing my breathe against the back beat of your footsteps
As we walk along cobble stone streets
Arms at are sides to live with
Eyes on the ground
Counting down to when we can talk out loud
Move on
Steady now
Move on
Move on
Move on
You're letting a good one go
You're letting a good one go
You're letting a good one go
You're letting a good one go
