

# Kevin Gilbert, Johnny's Last Song

My name is Johnny Virgil  
I used to be a star  
It was a long long time ago

Sometimes I hear my records  
In the wee hours of the night  
On the oldies radio

People sometimes ask me  
For the secret of success  
I tell them what I know

Believe in what you're doing  
Remember who you are  
And who knows where you'll go
