

Kevin Gilbert, Shrug (Because Of Me And You)

You are the tallest building
and I am the street
It's gonna take an earthquake
for our eyes to meet
I am a cliff and you are the sea
You turn me into nothing
whenever you hammer at me

Feel our love is going away
and I don't know what to do
And it's all because of me
and it's all because of you
Because of me and you

I am a single candle
and you are the sun
I'd need the help of millions
just to equal your one
Cause you are the desert
and I am the rain
Am I just wasting my time?

Love is a decision
to put away your ammunition
And every deal has its strings
if it causes the tension
it's best not to mention
Cause only the dumb bee stings
