

Kevin Johansen, Puerto Madero

Puerto Madero, Madero Puerto, we're going to Puerto Madero
To see a concierto...

And all the people that aren't from here would like to come and stay
And all the people that are from here just want to get away
And all the people that aren't from here would like to come and stay
And all the people that are from here just want to go to Spain
And then San Telmo to buy some antiguos
Then to La Recoleta to see some conchetas

We're going to Puerto Madero, Madero Puerto, yeah

(I love las minifaldas on Esmeralda

And the sexy porteos trying to pick up the Argenteenagers.
How nice, the Argenteenagers
Tomando sol in the primavera de Buenos Aires...)

Then to Almagro to dance a few tangos,
then to El Tigre to buy lots of mimbre

And all the people...

(Oh, I love el Microcentro, las baldosas flojas para verte la cosa

Los adoquines, los excesos en Congreso, all the piquetes...)

And then Belgrano to buy an helado (de dulce de leche)
Then to Palermo to see some enfermos...

Yeah, we're going to Puerto Madero, Madero Puerto

Let's go now!
