

Kevin Johansen, So Lazy

They're beating people on the streets (and I'm so lazy)
No one has nothing to eat (and I'm so lazy)
Nothing ever seems to change
All the stars have the same name
I would love to fix this world but I'm so lazy'
so lazy'

And I would write another verse but I'm so lazy
Life just can't get any worse and I'm so lazy
Some may say 'the end is near!'
But it's only one more year.
And I would love to live in fear but I'm so lazy'

So hang out with me, we'll watch the trees
and yawn 'till dawn, and never sleep'
Just hang out with me, enjoy the breeze
we'll make believe the whole world's lazy,
so lazy, so lazy, yeah!

So hang out with me' (repeats)
Though some may say 'the end is near!'
It's just the end of one more year'

Ya no quiero trabajar and I'm so lazy!
Ni siquiera traspasar and I'm so lazy!
S'lo quiero descansar y que me dejen en paz,
Quisiera al mundo cambiar, but I'm so lazy'.
