

Kevin Johansen, Susan Surrender

Susan, surrender Susan. Surrender, Susan
You know and I know that you've done most of the abusin'
This should've never happened, it ain't amusin'
Just say you love me, Susan. You know I do

Susan, surrender Susan. Susan, surrender
I'll keep the car and the children. You can keep the blender
This should've never happened, bein' a first offender
I'll let you go off easy, you know I will

Naah, but you keep naggin' and hagglin'
An' rippin' me apart
Tellin' me I'm no good and I got no heart
Ridin' and deridin' cause I watch the TV all day

Ahh, but you can't see what I do
Cause what I do, you can't see
I love ya, and I will eternally

Susan, surrender Susan. Surrender, Susan
You know and I know that I've done most of the abusin'
But if you just say you love me, let's stop ...
Just say you love me, Susan. You know you do

Naah, but you keep naggin' and hagglin'
An' rippin' me apart
Tellin' me I'm no good and I got no heart
Ridin' and deridin' 'cause I watch the TV all day

Ahh, but you can't see what I do
'Cause what I do, you can't see
I love ya, and I will eternally

Susan, surrender Susan. Susan, surrender
I'll keep the car and the children. You can keep the blender
This should've never happened, it ain't amusin'
Just say you love me, Susan. You know I do
Just say you love me, Susan. You know you do
Susan, surrender
