

Kevin Lyttle, My Lady

You want me I want you
Let's go someplace just us two
You touch me I'll touch you
Undress me and I'll turn you
Upside down and spin you round and round
And make you mone
So why don't you come be my lady?

Baby just picture the scene
Me and you down by the sea
Sipping on Ice(?)
Living a freaks fantasy
And so many things I wanna do
So it would really be cool
If you would come be my lady

Girl now the picture you set
And you're standing there wet
You might as well take of that dress
So I can relieve your stress
I'll take you where you haven't been before
I'll give you the real hardcore
If you would come be my lady

You want me I want you
Let's go someplace just us two
You touch me I'll touch you
Undress me and I'll turn you
Upside down and spin you round and round
And make you mone
So why don't you come be my lady?

I got a penthouse on the beach
Just tell me what time we can meet
I'll manifest your wildest dreams
Simply your peaches and creams
So many things I wanna do
It would really be cool
If you would come be my lady

When you're ready to be satisfied
Call me I'll send my ride
To bring you back to my hide
Tasting so sweat you can't deny
I'll take you where you haven't been before
I'll give you the real hardcore
If you would come be my lady, common

You want me I want you
Let's go someplace just us two
You touch me I'll touch you
Undress me and I'll turn you
Upside down and spin you round and round
And make you mone
So why don't you come be my lady?

Girl I want you to say my name
Do it over and over again
On the balcony under the moon
We will do what we wanna do
And we can freak the night away
Until another day giving you the real hardcore
If you would come be my lady

You want me I want you
Let's go someplace just us two
You touch me I'll touch you
Undress me and I'll turn you
Upside down and spin you round and round
And make you mone
So why don't you come be my lady?
