

Kevin Moroney, Give Love A Chance

How much of this can you tolerate. Between the line's of love and hate.
Created in the lies of his deceit.

Your friends warned you he was no good. On looking back you wish you had.
Listened to what they had to say.

It's easy to get sucked in by a web of lie's. It's hard to get back up and start again.

You gotta give love a chance. Think twice.
No falling for the smooth guys.
Move slow. Take the time.
Learn to read between the line's.
You'll find true romance. If you give love a chance.

The faith and love that were betrayed. Have left behind a rocky trail.
But don't give up, □□(Don't give up) □because of just one man.

You gotta give love a chance. Think twice.
No falling for the smooth guys.
Move slow. Take the time.
Learn to read between the line's.

You'll find true romance. If you give love a chance.

Change
You have to keep your strength up. It's really not that bad.
It's not the only love you'll ever have.
