

Kevin Sharp, If You Love Somebody

Mount Everest, I'll climb it
No problem, just say when
Mississippi, I'll swim it
Down to the delta and back again

If you love somebody, it ain't that hard
If you love somebody, to go that far
Well, there ain't no limit to the things you do
If you love somebody the way that I do you

Get a ladder, a cheap guitar
And serenade you under the stars
Scream and shout, make a scene
Tell the whole world you're the girl of my dreams

If you love somebody, that's what you do
If you love somebody, and your love is true
You don't think twice about being a fool
If you love somebody the way that I do you

Send me down the river with my soul on fire
The thought of you
Makes the weight of this world seem a little bit lighter
If you love somebody
If you love somebody

Ooh, send me down the river with my soul on fire
The thought of you
Makes the weight of this world seem a little bit lighter
Taking me higher, higher

If you love somebody, you do anything
If you love somebody, you jump up and sing
Well, there ain't no limit to the things you do
If you love somebody the way that I do you

If you love somebody, that's what you do
If you love somebody, and your love is true
Well, there ain't no limit to the things you do
If you love somebody the way that I do you
The way that I do you, girl
