

# Kevin Sharp, Nobody Knows

I pretend that I'm glad you went away  
But these four walls close in more every day  
And I'm dyin inside  
And nobody knows it but me

Like a clown I put on a show  
The pain is real even if nobody knows  
And I'm cryin inside  
And nobody knows it but me

Why didn't I say - the things I needed to say  
How could I let my angel get away  
Now my world is just a - tumblin down  
I can see it so clearly, but you're nowhere around

(Chorus)  
The nights are lonely, the days are so sad  
And I just keep thinkin about the love that we had  
And I'm missin you  
And nobody knows it but me

How blue can I get - you can ask my heart  
Just like a jigsaw puzzle it's been torn all apart  
A million words couldn't say - just how I feel  
A million years from now you know - I'll be lovin you still

The nights are lonely, the days are so sad  
And I just keep thinking about the love that we had  
And I'm missin you  
And nobody knows it but me

Nobody  
(The nights are lonely, the days are so sad)  
No one knows  
(And I just keep thinking about the love that we had)  
Nobody knows  
(Nobody knows it but me)

(The nights are lonely, the days are so sad)
