

Kevin Sharp, There's Only You

In every life,
They say
One perfect love comes
Your way.
I know from my heart
That's true.
There's only you.

When sorrow brings
Me pain
If teardrops fall
Like rain
Who else can I
Turn to?
There's only you.

Every night
I thank the Lord above
For giving you
To me.
All my life
I'll give you all my love
True and faithfully.

So darling say
You'll stay.
Don't take your love
Away.
I'll never find some
Oh someone new
There's only you.

I'll never find some
Oh someone new
There's only you.
