

Keyshia Cole, Didn't I Tell You

(Too \$hort)

Hey Keyshia

This yo big homie \$hort dog from the town

I know you big ballin baby

And I dont wanna get no phone calls talkin bout, Keyshia at the house curled up cryin with her head

You know you wasn't raised like that

You need to hit a club or somethin

You goin out...Keyshia

So while you goin out havin your fun, I should sit here waitin for you

All this time I've invested in you baby, now you kickin yo dubs and makin yo runs and poppin yo dra

But see its ok, cuz what goes around comes around and its always been that way

(Chorus)

Didn't I tell ya I was gonna be the one

Be the one and when its all done boy

She cant love you like I do

Didn't I tell ya boy

Didn't I tell you, didn't I tell you, didn't I tell you

Didn't I tell ya boy

So now the sun comin at ya wantt change, but I aint sittin out there cryin and shit

So while you rollin out doin yo thing, I be poppin my bottles,rollin on dubs,hangin with my girls, I be

Cuz I dont deserve all the games you play

Now you comin back this way

(Chorus)

Didn't I tell ya I was gonna be the one

Be the one and when its all done boy

She bout to get dressed and go hard

And if you wanna run the streets,chasin hoes dude
